FAQ

Questions You May Ask!

— L Model —

01.

What room size does it cover, and where should I place it?

This air purifier covers up to **600 sq. ft. (55.7 m²)** — ideal for master bedrooms, medium-sized living rooms, or studio apartments. Place it in the room where you spend the most time for the best air quality.

03.

Is it safe to use an air purifier around children or pets?

Yes, this model comes with a **button lock** feature to prevent accidental operation. Just **press and hold the timer button for 3 seconds to lock or unlock** it.

02.

Is it okay to leave the air purifier running continuously, even when I'm not at home?

Yes, it's safe and designed for continuous use. CUCKOO air purifiers are **energy-efficient**, using low power and featuring an **auto-dimming LED** that reduces energy when no light is detected after 1 minute.

CUCKOO+ APP

05

Does the air purifier remove viruses or bacteria

CUCKOO Air Purifiers use **HEPA filters** to reduce airborne bacteria and some viruses for cleaner air. The L Model adds **HEPA+ with a copper sulphide layer for extra antibacterial and antifungal protection.**

04.

How does the SLEEP Mode works?

In SLEEP Mode, the **light turns off and the fan runs at a lower speed** to keep the air clean without disturbing your sleep.

06.

What should I do if there's a problem with the product?

If you encounter any issues, please call our Customer Service at **1800-88-8181** or use the AI Support in the **CUCKOO+ App** for help.

THANK YOU
